Who Are We and What Can We Do?

SEIL is a Mental Health & Disability Services (MHDS) Region comprised of eight counties. Each county has a local access office where people may apply for service funding, receive referrals and get questions answered. The local Coordinator of Disability Services (CDS) or other staff is available to assist applicants.

Funding for services and supports is determined through the enrollment process including a standardized assessment. SEIL shall be the funder of last resort and regional funds shall not replace other funding that is available.

The services funded by the SEIL Mental Health and Disability Services Region include the following:

Core Domains

- 24 Hour Crisis Response Services
