

December 17, 2013

The Des Moines County Board of Supervisors met in regular session at the Court House in Burlington at 9 AM on Tuesday, December 17th, 2013, with Tom Broeker, Bob Beck and Jim Cary present.

Unless otherwise noted, all motions carried.

Meet with Department Heads: County Engineer Brian Carter reported that the culvert on Dodgeville Road is being covered with dirt. Safety Director Angie Vaughan presented her annual report to the Board.

The following correspondence was received: letter from Pioneer Cemetery Commission notifying the Board of the resignation of Mitzi Mueller. They have appointed Stacy Bliesener to replace her. Letter from American Ordnance regarding a permit modification. Beck had a voice mail regarding property owned by the County that the City wants to acquire.

Accounts Payable Claims in the amount of \$342,390.07 were approved upon motion by Beck and second by Cary.

Carter presented a Resolution of Support of a Surface Transportation Project (STP) and explained that even though the funding won't be available for four years, improvements are being planned on Beaverdale Road from the city limits of West Burlington to the end of pavement; and Mediapolis Road from the Henry County line to 205th Ave., 205th Ave. from Mediapolis Road to 260th St. and 260th St. from 205th Ave. to the Henry County line. Motion to approve was made by Beck and seconded by Cary.

Cary moved to approve the new hire of Brandon Knouse as part time C O at the Correctional Center. Effective date is December 17th, 2013. Seconded by Beck.

The following reports were received and filed:

Case Management, November 2013

General Assistance, November 2013

Correctional Center, November 2013

Sheriff, November 2013

Cary moved to approve minutes for the Board meeting held on December 3rd, 2013 with a minor correction. Seconded by Beck.

Other business: Broeker had nothing to report regarding a new location for County Attorney.

Future Agenda Items: there will be no meeting on December 24th. The next meeting will be on December 31st. A work session with Hope Haven will be held on January 7th. Discussion will be held regarding a new contract with increased rates.

Committee reports: Cary attended an Early Childhood meeting in Mediapolis. They are seeking additional funding from the Federal government. He also attended a RUSS meeting. Beck and the other Supervisors attended a 5th District meeting in Ottumwa on Friday. Broeker attended a Joint Safety Meeting and a meeting of COBCO Insurance Board.

During Public Input Session #2, County Attorney Pat Jackson offered a tour of his offices to the media.

Meeting was adjourned at 9:39 AM.

A work session was held with the County Engineer and City/County Safety Director regarding Fit for Duty testing. After discussion, Carter stated the he would use the testing for a baseline for pre-employment fitness. His policy on return to duty following an injury is working well.

Carter then discussed replacement of the bridge over Flint Creek on Highway 99. He is concerned about the condition of the bridge due to corrosion and rusting underneath. The bridge is not in danger of failing but he wants to get funding in place for three to five years in the future, before the bridge has to be posted with weight restrictions. A new bridge would be longer and wider because of almost annual flooding. He will be asking the City of Burlington to apply for bridge funds in order to pay for their portion of the span. The replacement will probably cost in excess of \$3 million. He asked the Board to be prepared to bond for part of the cost. Beck stated that the County doesn't have any choice but to bond.

This Board meeting is recorded and the tape is kept on file for two years. The minutes are also posted on the county's website www.dmcounty.com

Approved December 31, 2013

Tom Broeker, Chairman

Attest: Carol Copeland, County Auditor
